# ABOUT MIM

Mohan Institute of Mathematics is the oldest institute of Mathematics in Northern India with a Highly Competitive Environment and the Most Qualified Faculty including two Ph.Ds. Hard work, Effort, and Quality Teaching are our IDENTITY. We are proud to have given RANK 1 in HPSC Assistant Professor Recruitment Exam. RANK 1, 2 & 3 in PPSC Professor Recruitment Exam.

MIM aims at developing a center of excellence in current and upcoming trends like Research, Teaching, Management, Computer Applications, IT, and other fields.

We endeavor to facilitate a conducive environment in which every student can engage in a meaningful learning experience and move forward toward analytical, logical, and mathematical learning for the achievement of their ultimate career goal. We not only impart Educational values but also moral and ethical values. We believe that WISDOM CAN'T BE INHERITED BUT MUST BE ACQUIRED. MIM aims to achieve satisfaction in pioneering new efforts to spread the Best Education and not in profit-making.

## TEACHING EXPERTS

We are famous for last 25 years to provide Best Mathematics coaching for HTET, TGT/PGT, Lecturer Cadre(Punjab), PPSC or HPSC Assistant Professor Recruitment Exams.

## NET QUALIFIED TEACHERS

All faculty members are NET qualified and students get direct access to our Experienced Faculty at any time.

## EXTRAORDINARY RESULTS

Best Results in Haryana PGT, HTET TGT/PGT, Lecturer Cadre(Punjab), Master Cadre (Punjab), PPSC or HPSC Assistant Professor Recruitment Exams

# DIRECTOR'S MESSAGE

In the current education system, where knowledge is gaining priority, the quality of education has to conform to International competition standards. Realizing that teachers' teaching and learning methods have a profound impact on the progression of society, MIM has adapted an intense teaching and learning methodology. The entire process of education is focused on training students to crack any competition or interview.

Be it UGC-NET/SET/GATE Mathematics, M.Sc. Entrances/IIT-JAM or MCA entrances, our results always speak of our dedication and commitment to excellence. MIM took the initiative to impart coaching to the IIT-JAM aspirants of North India for the Test and within a short span of time, its efforts brought to glory. MIMcians have swiped All over India's Top Ranks in UGC NET Mathematics. Presently, MIM has more than 950 students who made it through this prestigious Test of India under the guidance of Dr. Virk. While some of them have been called upon by IITs, IISERs, Panjab University, Punjabi University, Guru Nanak Dev University, Kurukshetra University, Delhi University, and other reputed institutions for undertaking research work, others have been appointed as Lecturers in Reputed Colleges and Universities in Punjab, Haryana, Himachal, Rajasthan, Jammu and Kashmir, and other states. MIM aims to achieve satisfaction in pioneering new efforts to spread education and not in profit-making.

MIM has expanded its operation to Ludhiana, Chandigarh, Jalandhar, Patiala, Amritsar & Ambala. It will soon be spreading to New Delhi. The growth of MIM has been possible due to its outstanding result, sustained efforts in imparting quality education, dedicated faculty, and support of its students. The new campuses are being opened in order to facilitate students coming from these areas so that they may not lag behind only to a lack of guidance.

With best wishes,

**Dr. Mohan Singh**  
(Director MIM)

# EXAM PATTERN

- The exam is a written test with multiple-choice questions
- It will be conducted in bilingual mode
- A total of 150 questions on the concerned subject will be asked
- There is 01 positive mark for each right answer
- There is no negative marking in case candidates have answered wrong or left any question un-attempted.
- Candidates qualifying for the written test will be called for the document verification stage.

NUMBER OF QUESTIONS TO BE ATTEMPTED IN EACH SECTION

## MATHEMATICS

Name of the Subject	Total Marks	Total No. of Questions	Duration
Concerned Subject	150	150	2 Hours 30 Minutes
